

CANCER PRESUMPTION-PEACE OFFICERS

1. Summary of Chapter 1171, Statutes of 1989

Chapter 1171, Statutes of 1989, amended Section 3212.1 of the Labor Code to add "peace officers as defined in Section 830.1 and subdivision (a) of section 830.2 of the Penal Code who are primarily engaged in active law enforcement activities" to the category of public employees that are covered by its provisions. Previously, the provisions only applied to public sector fire fighting personnel. This section states that cancer that has developed or manifested itself in peace officers will be presumed to have arisen out of and in the course of employment, unless the presumption is controverted by other evidence. The presumption is extended to a peace officer following termination of service for a period of three calendar months for each year of requisite service, but not to exceed sixty (60) months in any circumstance, commencing with the last date actually worked in the specified capacity.

On July 23, 1992, the Commission on State Mandates determined that Chapter 1171, Statutes of 1989, resulted in state-mandated costs which are reimbursable pursuant to Government Code Section 17561.

2. Eligible Claimants

Any law enforcement department of a city, county, a city and county, or a special district which employs peace officers as defined in Section 830.1 of the Penal Code and incurs increased costs as a result of this mandate is eligible to claim reimbursement of those costs.

3. Types of Claims

A. Reimbursement Claims

A reimbursement claim is defined in GC Section 17522 as any claim filed with SCO by a county for reimbursement of costs incurred for which an appropriation is made for the purpose of paying the claim.

An actual claim may be filed by February 15 following the fiscal year in which costs were incurred. If the filing deadline falls on a weekend or holiday, the filing deadline will be the next business day. Since the 15th falls on a weekend in 2009 claims for fiscal year 2007-08 will be accepted without penalty if postmarked or delivered on or before February 17, 2009. Claims filed after deadline will be reduced by a late penalty of 10%, not to exceed \$10,000. A claim filed more than one year after the deadline cannot be accepted for reimbursement.

In order for a claim to be considered properly filed, it must include the Indirect Cost Rate Proposal (ICRP) if the indirect cost rate exceeds 10%. A more detailed discussion of the ICRP may be found in Section 8 of the instructions.

Documentation to support actual costs must be kept on hand by the claimant and made available to the SCO upon request as explained in Section 17 of the instructions.

B. Estimated Claims

Pursuant to AB 8, Chapter 6, Statutes of 2008, the option to file estimated claims has been eliminated. Therefore, estimated claims filed on or after February 16, 2008, will not be accepted by SCO.

4. Reimbursable Activities

Eligible claimants will be reimbursed for the increased cost incurred for the following activities to comply with the subject law.

- A.** All the following conditions must be met in order to claim reimbursement for a presumption of cancer case under Chapter 1171/89.
- (1) The worker is a peace officer within the meaning of Penal code Section 830.1 who was primarily engaged in active law enforcement activities;
 - (2) The worker has cancer which has caused the disability;
 - (3) The worker's cancer developed or manifested itself during a period while the worker was in the service of the employer, or within the extended period provided for in Labor Code Section 3212.1;
 - (4) The worker was exposed, while in the service of the employer, to one or more known carcinogens as defined by the International Agency for Research on Cancer, or the Director of the Department of Industrial Relations; and
 - (5) The one or more carcinogens to which the worker was exposed are reasonable linked to the disabling cancer, as demonstrated by competent medical evidence.
- B.** A case meeting all the conditions in 6.A., the local agency will be reimbursed at 50% of the increased costs incurred. More specifically, insured local agencies, local agencies covered by a joint powers agreement, or self-insured local agencies must claim costs as follow:
- (1) Insured Local Agencies

If an insured local agency (insured through State Compensation Insurance Fund) incurred any increased costs as a result of Chapter 1171/89, they would be entitled to seek reimbursement for such costs which are specifically attributable to Labor Code Section 3212.1.

If the local entity can show that its experience modification premium was increased or its dividends were decreased, 50% of those respective increases or decreases will be reimbursed.
 - (2) Local Agencies Covered by a Joint Powers Agreement or Other Carrier

Local agencies covered by a joint powers agreement or other insurance carrier for workers' compensation may claim in the same manner as above for insured local agencies provided;

 - (a) Insurance premiums or contributions are based on the Workers' Compensation Insurance Rating Bureau rates and the current loss experience modification factor, and
 - (b) The insurer is responsible for claims of terminated or withdrawn local agencies if such claims arose while insured by the insurer.
 - (3) Self-Insured Local Agencies

Fifty percent (50%) of all actual costs of a claim based on the presumption set forth in Labor Code Section 3212.1 are reimbursable, including but not limited to the following:

 - (a) Administrative Costs
 - Salaries and employee benefits
 - Costs of supplies
 - Legal counsel costs
 - Clerical support
 - Travel expenses

--Amounts paid to adjusting agencies

--Overhead costs

(b) Benefit Costs

Actual benefit costs under this presumption shall be 50% reimbursable and shall include, but are not limited to:

--Permanent disability benefits

--Death benefits

--Temporary disability benefits or full salary in lieu of temporary disability benefits as required by Labor Code Section 4850, or other local charter provision or ordinance in existence on July 1, 1990. Provided, however, that salary in lieu of temporary disability benefits were payable under local charter provision or ordinance shall be reimbursable only to the extent that those benefits do not exceed the benefits required by Labor Code Section 4850.

5. Reimbursement Limitation

Any offsetting savings or reimbursement the claimant received from any source including, but not limited to, service fees collected, federal funds, and other state funds as a direct result of this mandate shall be identified and deducted so only the net local cost is claimed.

6. Claim Forms

A. Form FAM-27, Claim for Payment

This form contains a certification that must be signed by an authorized officer of the local agency. All applicable information from Form-1.1 or Form-1.2 must be carried forward to this form for the State Controller's Office to process the claim for payment.

B. Form-1.1, Claim Summary

An insured agency must complete this form which shows the increased premium cost and/or decreased dividend cost. In addition, provide the name of each injured peace officer, termination date of service, length of service (years and months), and date of injury. Only fifty percent (50%) of increased costs derived from this form are carried to form FAM-27, line (13) for the Reimbursement Claim.

C. Form-1.2, Claim Summary

A self-insured agency must complete this form which summarizes the increased disability benefit and administrative costs incurred as a result of the mandate. Allowable indirect costs for administrative costs are computed on this form. In addition, provide the name of each injured peace officer, termination date of service, length of service (years and months), and date of injury. The direct costs summarized on this form are brought forward from Forms 2.1 and 2.2. Only fifty percent (50%) of the increased costs derived from this form is carried forward to form FAM-27, line (13) for the Reimbursement Claim.

Indirect costs may be computed as 10% of direct labor costs, excluding fringe benefits. If an indirect cost rate of greater than 10% is used, include the Indirect Cost Rate Proposal (ICRP) with the claim. If more than one department is reporting costs, each must have their own ICRP for the program.

D. Form-2.1, Activity Cost Detail

A self-insured agency must complete this form which shows the amount of disability benefit payments made to peace officers as required by Labor Code Section 4850, or other charter provision, or ordinance in existence on July 1, 1990.

E. Form-2.2, Activity Cost Detail

A self-insured agency must complete this form to claim increased administrative costs as a result of this mandate. Costs reported on this form must be detailed as follows:

(1) Salaries and Benefits

Identify the employee(s), and/or show the classification of the employee(s) involved. Describe the mandated functions performed by each employee and specify the actual time spent, the productive hourly rate and related fringe benefits. In lieu of actual time, the average number of hours devoted to each function may be claimed if supported by a documented time study. A time study may be appropriate for functions that are relatively short in duration and repetitive. If the claim is based on a time study, submit with the claim all time documentation for the Controller's review of the study's precision and reliability.

Source documents required to be maintained by the claimant may include, but are not limited to, employee time records that show the employee's actual time spent on this mandate.

(2) Office Supplies

Only expenditures that can be identified as a direct cost of this mandate may be claimed. List the cost of materials consumed or expended specifically for the purpose of this mandate. Purchases made shall be claimed at the actual price after deducting for all cash discounts, rebates, and allowances received by the claimant.

Source documents required to be maintained by the claimant may include, but are not limited to, invoices, receipts, purchase orders and other documents evidencing the validity of the expenditures.

(3) Contracted Services

Give the name(s) of contractor(s) who performed the services. Describe the activities performed by each named contractor, inclusive dates when services were performed, actual time spent performing the mandate and itemize all costs for services performed. Attach consultant invoices with the claim.

Source documents required to be maintained by the claimant may include, but are not limited to, contracts, invoices and other documents evidencing the validity of the expenditures.

(4) Travel

Travel expenses for mileage, per diem, lodging, and other employee entitlements are reimbursable in accordance with the rules of the local jurisdiction. Give the name(s) of the traveler(s), purpose of travel, inclusive travel dates, destination points, and costs.

Source documents required to be maintained by the claimant may include, but are not limited to, receipts, employee travel expense claims, and other documents providing evidence of the validity of the expenditures.

Pursuant to GC section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter is subject to the initiation of an audit by the SCO no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed not later than two years after the date that the audit is commenced.

All documents used to support the reimbursable activities must be retained during the period subject to audit. If an audit has been initiated by the SCO during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings. Supporting documents shall be made available to the SCO on request.

------------------------------	---	-------------------------------

- (01) Enter the name of the claimant.
- (02) Type of Claim. Check a box, Reimbursement or Estimated, to identify the type of claim being filed. Enter the fiscal year for which costs were incurred or are to be incurred.
- Form POC-1.1 must be filed for a reimbursement claim. Do not complete form POC-1.1 if you are filing an estimated claim and the estimate does not exceed the previous fiscal year's actual costs by more than 10%. Simply enter the amount of the estimated claim on form FAM-27, line (07). However, if the estimated claim exceeds the previous fiscal year's actual costs by more than 10%, form POC-1.1 must be completed and a statement attached explaining the increased costs. Without this information the estimated claim will automatically be reduced to 110% of the previous fiscal year's actual costs.
- (03) List the name of each peace officer, service termination date, length of service (years/months), and date of injury. Only workers compensation filings subsequent to July 1, 1990 that are related to cancer and presumed to have arisen out of and in the course of employment qualify for reimbursement.
- (04) Type of Insurance Carrier. Check a box to indicate if the claimant is insured with the State Compensation Insurance Fund (SCIF), a Joint Powers Agency (JPA), or a Private Insurance Carrier (PIC). If the claimant is insured by a JPA or a PIC, enter the name of the carrier.
- For those who are insured by the SCIF, the SCIF will provide their clients with an appropriate modification factor and dividend amount for each applicable policy year upon written request to complete this schedule. Address: State Compensation Insurance Fund, Claims/Rehabilitation Department Operations, 1275 Market Street, San Francisco, CA 94103. In order for SCIF to provide this information, you must include with the request the above names and dates of injury. Please allow SCIF 30 days for this information. Normally, there is no impact on the modification factor until 18 to 24 months after injury. Following this period of time, the modification factor may be impacted for three consecutive policy years.
- For those who are insured by a JPA or a private insurance carrier, claimants may wish to contact their insurance representative for assistance to determine what that lower experience modification premium percentage and total dividends would be had the agency not had any cancer presumption cases under Labor Code Section 3212.1. Attach a statement showing the calculations and any cost data provided by the insurance carrier.
- (05) Cost of Increased Experience Modified Premium:
1. Enter the actual premium before the experience modified premium percentage was applied. Show the premium on a fiscal year basis and submit copies of billing statements with the claim. If necessary, prorate the premium amounts between the two policy years.
 2. Enter the difference between the percentage that is shown on the final insurance premium billing statement and what the percentage would have been had there not been any cancer presumption cases under Labor Code Section 3212.1.
 3. Multiply line (05)(1) by line (05)(2). If the premium was prorated, multiply each prorated portion by the modification percentage determined in line (05)(2), which relates to that portion of the premium. Show both calculations on a separate schedule.
- (06) Cost of Decreased Dividends:
1. Enter the total dividends that would have been received for the fiscal year of cost had there not been any cancer presumption cases under Labor Code Section 3212.1.
 2. Enter the dividends received during the fiscal year of cost.
 3. Subtract the Dividends Received During the Fiscal Year of cost, line (06)(2), from the total Dividends, line (06)(1).
- (07) Total Increased Cost. Multiply the sum lines (05)(3) and (06)(3).
- (08) Less: Offsetting Savings, if applicable. Enter the total savings experienced by the claimant as a direct result of this mandate. Submit a schedule of detailed savings with the claim.
- (09) Less: Other Reimbursements, if applicable. Enter total other reimbursements received from any source, i.e., federal, other state programs, etc. Submit a schedule of detailed reimbursements with the claim.
- (10) Total Claimed Amount. Subtract the sum of Offsetting Savings, line (08), and Other Reimbursements, line (09), from Total Costs, line (07), and multiply by 0.5, since only 50% of the costs are reimbursable. Enter the result on this line and carry the amount forward to form FAM-27, line (07) for the Estimated Claim or line (13) for the Reimbursement Claim.

- (06) Indirect Cost Rate. Indirect costs may be computed as 10% of direct labor costs, excluding fringe benefits, without preparing an ICRP. If an indirect cost rate of greater than 10% is used, include the Indirect Cost Rate Proposal (ICRP) with the claim.
- (07) Total Indirect Costs. If the 10% flat rate is used for indirect costs, multiply Total Salaries, line (05)(a), by the Indirect Cost Rate, line (06). If an ICRP is submitted and both salaries and benefits were used in the distribution base for the computation of the indirect cost rate, then multiply the sum of Total Salaries, line (05)(a), and Total Benefits, line (05)(b), by the Indirect Cost Rate, line (06). If more than one department is reporting costs, each must have its own ICRP for the program.
- (08) Total Direct and Indirect Costs. Enter the sum of Total Direct Costs, line (05)(d), and Total Indirect Costs, line (07).
- (09) Less: Offsetting Savings, if applicable. Enter the total savings experienced by the claimant as a direct result of this mandate. Submit a detailed schedule of savings with the claim.
- (10) Less: Other Reimbursements, if applicable. Enter the amount of other reimbursements received from any source including, but not limited to, service fees collected, federal funds, and other state funds, which reimbursed any portion of the mandated cost program. Submit a schedule detailing the reimbursement sources and amounts.
- (11) Total Claimed Amount. Subtract the sum of Offsetting Savings, line (09), and Other Reimbursements, line (10), from Total Direct and Indirect Costs, line (08), and multiply by 0.5, since only 50% of the costs are reimbursable.
